The WDSF World Championship

On May 3-5, 2024, the WDSF World championship took place in Halle (Saale) Germany.

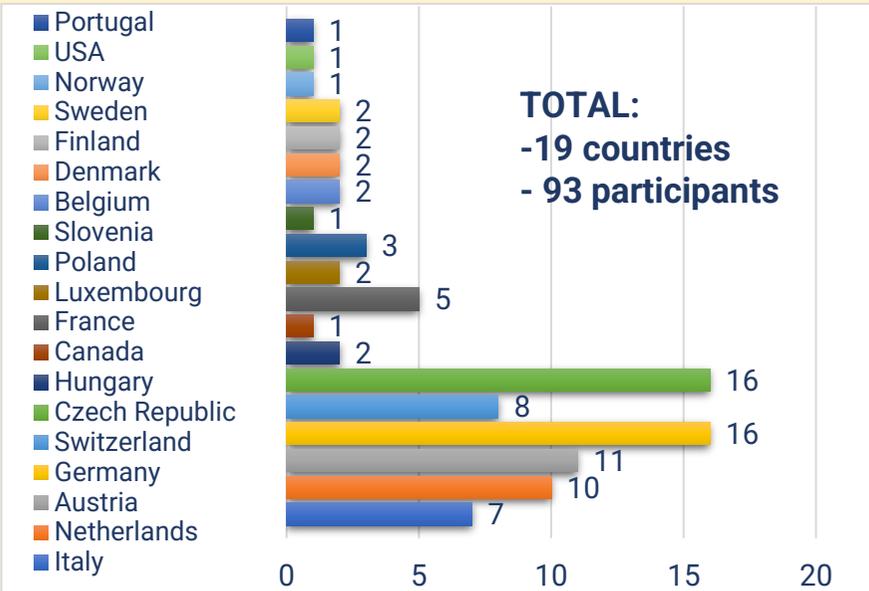

Four disciplines were featured in the Championship. The facilities were excellent. The atmosphere was enhanced by enthusiastic, welcoming volunteers and top-level performances from competitors from all over the world.

These three days were inspiring, sometimes explosive, and most of all, watching the connection between handler and dog was incredible to see. There was a passion in the air that we might say it was tangible. Yes, it was special.
